

On Thin Ice: The Healing - Responding to an Emergency

Damage report

“Everybody said the plane crash was one of the best things to happen to Nanurtaik in a long time, maybe ever” (page 287).

The plane crash forced the community of Nanurtaik to spring into action to accommodate all the new visitors to the community. This had a healing effect on many of the community members. Complete the table below to summarize how each character responded and how the experience healed them.

Character	What was their part in the emergency response?	What healing effect resulted?
Ashley		
Vince
